- (d) the Board may, after consideration of the current fiscal needs of the Association, fix the actual annual assessment for any year at an amount less than the maximum herein otherwise permitted.

SECTION 5. SPECIAL ASSESSMENTS. In addition to the aforesaid annual assessments, the Association may levy against each Owner, in any assessment year, a special assessment, applicable to that year only, for the purpose of defraying, in whole, or in part, the cost of any construction, reconstruction, repair or replacement of any improvement upon the Common Areas, provided that any such special assessment shall have the assent of two-thirds of the Owners voting in person, or by proxy, at a meeting duly called for that purpose, and provided, further, that the Association shall levy a special assessment, if required, pursuant to Article VII of this Declaration, under the conditions therein described, in which event, no vote of Owners shall be required.

SECTION 6. UNIFORM RATE OF ASSESSMENTS. The annual assessments, and each special assessment, shall be set by the Board at a uniform rate for each Lot, and may be collected on a monthly or an annual basis, as may be determined by the Board.

SECTION 7. NOTICE OF QUORUM FOR ACTION AUTHORIZED UNDER SECTIONS 4 AND 5. Written notice of any meeting called for the purpose of taking any action authorized under either Section 4 or 5 of this Article IV shall be sent to all Owners not less than fifteen (15) days in advance of such meeting. At the first meeting so called, the presence at the meeting of the Owners, or of proxies, entitled to cast sixty percent (60%) of all votes of the Class A and Class B membership shall constitute a quorum. If the required quorum is not present at such meeting, another meeting may be called, subject to the notice requirement set forth above, and the required quorum at such subsequent meeting shall be one-half (1/2) of the required quorum at the proceeding meeting provided that such subsequent meeting shall be held not less than sixty (60) days following the proceeding meeting at which a quorum was not present.

SECTION 8. DATE OF COMMENCEMENT OF ANNUAL ASSESSMENT DUE DATE. The annual assessments provided for herein shall commence as to all Lots on the first day of the month next following the conveyance of the first Lot to an Owner other than Declarant. The first annual assessment shall be made for (and adjusted on the basis of) the balance of the calendar year, and shall become due and payable as at the day fixed for commencement. The annual assessment for any year, after the first year, shall become due and payable on the first day of January of such year.

SECTION 9. DUTIES OF BOARD OF DIRECTORS. Subject to the limitations set forth in Section 4, 5 and 6 of this Article IV, the Board shall fix the amount of the annual assessment against each Lot for each assessment period at least thirty (30) days in advance of such date or period, and shall, at that time, prepare a roster of the Lots and the assessments applicable thereto, which shall be kept in the office of the Association and shall be open to inspection by any Owner. Written notice of the assessment shall thereupon be sent to every Owner subject thereto. The Association shall, upon demand, and payment of a reasonable charge, furnish to any Owner liable for such assessment a certificate in writing signed by an officer of the Association setting forth whether such assessment has been paid. Such certificate shall be conclusive evidence of the payment of any assessment therein stated to have been paid. Each budget adopted by the Board shall include an adequate allowance for the maintenance of the Common Areas.

SECTION 10. EFFECT OF NON-PAYMENT OF ASSESSMENT: THE PERSONAL OBLIGATION OF THE OWNER: THE LIEN: REMEDIES OF THE ASSOCIATION. Any assessment not paid within thirty days after the due date shall be deemed delinquent, and shall bear interest from the due date at the highest rate permitted by law. The Association may bring an action at law against the Owner personally obligated to pay such assessment, or foreclose the lien against the Lot, and there shall be added to the amount of such assessment the cost of preparing and filing the complaint in such action, or in connection with such foreclosure, and in the event a judgment is obtained, such judgment shall include interest on the assessment, as above provided, and a reasonable attorney's fee to be fixed by the court, together with the costs of the action. No Owner may waive or otherwise escape liability for any assessment by non-use of the Common Areas or the abandonment of such Owner's Lot. Subject to the provisions of Section II of this Article IV, sale or transfer of any Lot shall not affect the lien for any assessment regarding such Lot.

SECTION 11. SUBORDINATION OF THE LIEN TO MORTGAGES. The lien of the assessment(s) provided for herein is and shall be subordinate to the lien(s) of any mortgage or mortgages now or hereafter placed upon any Lot subject to assessment hereunder; provided, however, that such subordination shall apply only to assessments which have become due and payable prior to sale or transfer of such Lot pursuant to foreclosure of such mortgage(s), or prior to any other proceeding or conveyance in lieu of foreclosure. Such sale, transfer or conveyance shall not, however, relieve such Lot from liability for any assessment thereafter coming due, or from the lien of any such subsequent assessment.

ARTICLE V

Architectural Review

SECTION 1. ARCHITECTURAL REVIEW COMMITTEE. No Improvement shall be erected, placed, installed, constructed, reconstructed or maintained on any Lot, nor shall any exterior addition to, or change in, or alteration of the exterior appearance of any Improvement, or any change in landscaping, be made until plans and specifications showing the kind, size, shape, height, colors, materials, topography and location of each Improvement on the Lot shall have been submitted to and approved in writing by the Committee. The Committee shall, initially, consist of the Declarant until such time as Declarant has sold and released deeds to all Lots. After such time, Declarant shall delegate and assign to the Association its power of appointment with regard to members of the Committee; provided that, Declarant may, in its sole discretion, make such delegation to the Association at an earlier time. Neither Declarant nor any member of the Committee shall have any liability whatsoever to any Person in connection with the approval or disapproval of any plans or specifications in regard to any Improvement.

- (c) detailed elevations of all walls and gates;
- (d) specifications setting forth the type, quality, color and texture of all materials to be employed in all Improvements, including a detailed finish schedule for all exterior materials, products and finishes, with actual brick, stain and shingle samples;
- (e) a complete landscaping plan (including a plan for any proposed exterior lighting), together with a planting list;
- (f) a construction; and
- (g) any other data, drawings or specifications which the Committee deems necessary to fulfill its function.

SECTION 4. VARIANCE REQUIRED. No approval of the Committee shall be valid if any Improvement violates any restriction set forth in this Declaration, or any provision of the City's zoning ordinance, except in cases where an appropriate waiver or variance in regard to such Improvement has been granted by the City and/or Committee, as provided in this Declaration.

SECTION 5. APPROVAL AND DISAPPROVAL. The Committee may disapprove plans for any Improvement or alteration for non-compliance with any restriction contained in this Declaration, or because of dissatisfaction with the grading and drainage plans, the location of any Improvement on the Lot, the proposed materials, the proposed color scheme, the proposed finish, design, proportion, shape, height, style or appropriateness of the proposed Improvement or alteration, or because of any matter or thing, which, in the judgment and discretion of the Committee, would cause the proposed Improvement or alteration to be inconsistent with the objectives of the Committee, or with improvements erected or to be erected on other Lots, including purely aesthetic considerations. No material change may be made in any approved plan or specification, including, without limitation, any approved exterior material, stain, color, or roof material, or in the approved landscaping plan, without the prior written consent of the Committee. One complete set of the approved plans and specifications in regard to each Lot, including any and all approved amendments thereto, shall be kept and retained by the Committee for its permanent file in connection with each Lot.

SECTION 6. FAILURE TO ACT. In the event the Committee shall have failed to approve or disapprove plans and specifications within thirty (30) days after the full, proper and complete submission thereof, the need for such approval by the Committee shall be deemed to have been waived, but all other restrictions, limitations and conditions set forth in this Declaration shall apply and remain in full force and effect as to such plans and specifications.

SECTION 7. FORM OF APPROVAL. Committee approval shall be deemed given if the plans and specifications submitted for approval are marked or stamped as having been finally approved by the Committee, and are signed and dated by two (2) members of the Committee validly serving on the date of such approval.

SECTION 8. REVIEW FEE. The Committee may charge a review fee, not to exceed Two Hundred Fifty (\$250.00) Dollars, in connection with the review of plans and specifications for any Improvement or combination of Improvements on any Lot, or in regard to the substantial alteration of any Improvement. The fee may not be utilized for the purpose of paying any salary to any member of the Committee, but exclusively for the purpose of reimbursing the actual expenses of the Committee, including, without limitation the professional fees of independent consultants to the Committee.
